Our Opportunity

The immigration of millions of Muslims to the United States has created a wonderful opportunity for us to tell them about our Lord and Savior, Jesus Christ.

Muslims are now coming to America in a steady stream.

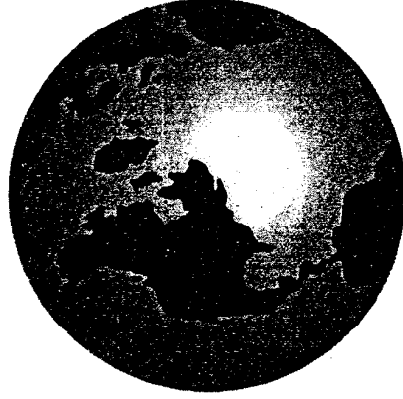

The presence of Muslims in the United States is one of the greatest challenges and opportunities facing the Church today.

Important Questions...

What is the purpose of Samy's presentation?

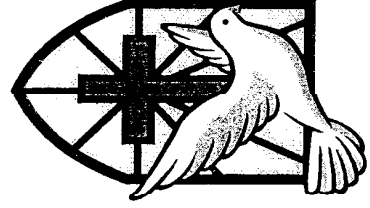

- Our efforts to communicate the Gospel to Muslims will be far more effective when we have a conscious awareness of the issues involved and adequate preparation for the task at hand.
- Samy will help the members in your Church understand the many avenues through which Muslims may be won to Christ.
- Samy's presentation will address the Biblical foundation for witnessing cross culturally.
- He will explain how we can effectively present the Gospel to Muslims using their own beliefs as a common ground and stepping stone.

What is the purpose of this ministry?

- Equip -
To prepare Western Christians to share their faith and to bridge the Gospel to Muslims in a way Muslims can understand.
- Evangelize -
Help Muslims experience God's love through the saving knowledge of our Lord and Savior, Jesus Christ.

What is the Motivation Behind this Ministry?

- Of the world's population 20.9% are Muslims. (Islam is the fastest growing world religion today.)
- Muslims are one of the least evangelized people in the world.
- It is estimated that only 4% of the Western missionary force is endeavoring to reach Muslims, who comprise at least 39% of all un-evangelized people of the world.
- There is a great omission to the great commission, therefore fulfilling Jesus' commission is our motivation and goal.
