

*Serving Him through serving each other*

Volunteers are needed for the  
*“Women’s Helps Ministry”*

Be a blessing to a “Sister” by taking her to the store, the doctor’s office or shopping. Making a phone call of encouragement in these days and times is another way to help.

If you have been attending Calvary Chapel Fallbrook on a regular basis for three months or more please consider joining this ministry. Call the office at 760-728-9138 for more information or fill in below and put it in the offering bag or hand to an usher.
