

Fellowship Directory Information

CCF is updating our Fellowship and Business Directory and would appreciate your help in providing the following information. It is important, not only as an update for our congregation, but also for emergency situations regarding your children. Please be assured the information you give CCF will be treated confidentially and not used or distributed beyond the church staff or regular members.

The directory information is not approved to be used for personal mass mailings by anyone. If you do not want your information published in the directory, please indicate below, but we would still appreciate you filling in the information so the office will have a current record.
