

TWICE A QUARTER

USHERS NEEDED

If you have been looking for a way to serve in your CCF Fellowship and have been attending for at least six months, consider serving as an USHER.

USHERS are generally the first people a visitor meets. If you consider yourself “people oriented” and would like to serve as an USHER please fill out the bottom portion of this flyer and put it in the offering bag or give it to an USHER.

You will be trained on your first day and we are very flexible about scheduling.
